Child, Family, School, Community: Socialization and Support By Roberta M. Berns

The best-selling CHILD, FAMILY, SCHOOL, COMMUNITY: SOCIALIZATION AND SUPPORT, now in its Ninth Edition, offers an excellent introduction to socialization that is grounded in a powerful conceptual framework--Urie Bronfenbrenner's Bioecological Model of Human Development. Examining how the school, family, and community influence children's socialization, this text addresses complex issues in a clear, comprehensive fashion. An enjoyable read, it's packed with meaningful, timely examples and effective study tools that ensure you gain a solid understanding of chapter concepts. A sensitive presentation of diversity issues includes matters related to culture, ethnicity, gender, sexual orientation, and special needs. Updated throughout, this edition features a stronger emphasis on NAEYC and DAP standards as well as new information on diversity in all forms, technology and the impact of media, bullying, and other topics.

Editorial Review

Review

"[The text] is a great combination of providing an overview of families, different types of schools, and how to get involved in the community. It allows my students to show the effects of how families, schools and communities can work together for the better of the child."

"[The text is] a comprehensive sociological look at the ecology of the child. This text really utilizes the ecological model and makes it come alive."

About the Author

Roberta Berns is a Professor Emerita at the University of California, Irvine, as well as Saddleback College, where she founded and chaired the Human Development Department. Berns also was a student of renowned developmental psychologist Urie Bronfenbrenner at Cornell University. She lives in California with her husband, a professor of bioengineering. They have two children (one, an English professor and the other, a professor of neuroscience) and two grandchildren.

Users Review

From reader reviews:

Leonard Dail:

As people who live in the particular modest era should be revise about what going on or facts even knowledge to make all of them keep up with the era and that is always change and move forward. Some of you maybe will update themselves by reading books. It is a good choice in your case but the problems coming to you actually is you don't know which one you should start with. This Child, Family, School, Community: Socialization and Support is our recommendation to cause you to keep up with the world. Why, because book serves what you want and want in this era.
